

EY Scholarship 2025

Let your ideas narrate the future.

Shape the future
with confidence

Building a better working world

200,000+ clients
150+ countries
4,00,000+ people

Building a better working world underpins all that we do each day for our people, clients and communities. This includes developing purpose-driven leaders and leveraging the power of digital to help organizations and government navigate the transformative age.

The transformative age is about new technologies that are changing how we live, work and do business.

Our services

Assurance

Supporting organizations in promoting investor confidence and managing regulatory responsibilities, therefore promoting transparency in business.

Consulting

Helping organizations realize long-term value by placing humans at the centre, leveraging technology at speed and enabling innovation at scale.

Tax

Combining knowledge and experience with the people and technology platforms to offer services across all tax disciplines.

Strategy and Transactions

Helping companies navigate complexity by enabling them to reimagine their eco-systems, reshape their portfolios and reinvent themselves for a better future.
